BOARD OF TRUSTEES STRATEGIC BRIEFING • UDHAVUM ULLANGAL PUBLIC CHARITABLE TRUST

Brand Building & Sustainable Donor Acquisition Roadmap

Transitioning from 26+ Years of Silent Grassroots Impact to a High-Trust, Recognized Philanthropic Brand

1. The Strategic Diagnosis: Why Fundraising is Challenging Today

Udhavum Ullangal Public Charitable Trust (UUPCT, CIT Nagar, Chennai) has created exemplary grassroots impact across Tamil Nadu since 2000. However, volunteer canvassing currently encounters severe donor friction. While our ground work is authentic, **donors do not give to causes they cannot instantly recognize and verify on their smartphones.**

Operational Dimension	Current Vulnerability (The Bottleneck)	Proposed Board Intervention
Brand Perception	Programs (Cancer, Schooling, Skill, Deepavali) are presented separately; public lacks a single memorable hook.	Consolidate under *"Health, Education, and Dignity"* with unified visual identity and verified badges.
Digital Verification	Social media features sporadic, low-res event photos without personal stories, causing prospective donors to hesitate.	Standardize 3 weekly video reels showing real beneficiaries, certified medical camps, and classroom sessions.
Donation Mechanism	Reliance on manual bank transfers (NEFT) or generic donation forms with slow 80G receipt turnaround.	Deploy instant **UPI AutoPay** micro-giving (₹500/mo) with automated WhatsApp receipts and tax certificates.
Donor Lifetime Value	Single one-time checks during festivals; no ongoing retention reports, resulting in recurring donor drop-off.	Implement a 30-day "Zero-Spam WhatsApp Impact Snapshot" to maintain continuous monthly recurring subscriptions.

2. Brand Architecture: The "Four Pillars of Hope"

To eliminate public confusion during canvassing, we present all Trust initiatives under four distinct, branded verticals:

HEALTH

Nellai Cancer Hospital

Free oncology screenings, palliative home care, and diagnostic mobile camps across southern TN.

EDUCATION

Vidya Mentorship

Weekend aptitude coaching, English classes, school kits, and college placement guidance for disadvantaged youth.

LIVELIHOOD

Skill Development

Vocational tailoring, beauty craft, and computer training centers empowering marginalized women.

CELEBRATION

Anandha Deepavali

A 26-year tradition bringing custom-fitted clothes, feast, and festival joy to over 20 shelter homes.

3. The "Ground-Canvassing + Digital Proof" Acquisition Loop

Organic social media does not gather money in isolation. Instead, **social media acts as our digital badge of honor** that allows field canvassers, corporate desks, and residential stalls to close recurring pledges with complete credibility.

STEP 01 • OUTREACH

In-Person Stall / Pitch

Canvassers engage citizens at IT tech parks, apartment RWAs, or weekend community spots with A5 visual sheets.

STEP 02 • VERIFICATION

Digital Proof Check

Donor searches @udhavumullangal on Instagram/web; sees active, high-definition impact video proof uploaded this week.

STEP 03 • CONVERSION

1-Click UPI AutoPay

Donor scans QR code; activates ₹500 or ₹1,000 monthly auto-debit. Receives instant 80G tax receipt on WhatsApp.

STEP 04 • RETENTION

Monthly Impact Card

Every 30 days, donor receives a 2-photo WhatsApp report showing the specific child or patient supported, renewing trust.

4. Weekly Field Operations & Content Schedule

A structured routine ensuring ground activities directly supply material for digital brand building:

Day	Ground Operation (Fundraising & Programs)	Digital & Social Media (Proof & Trust)
Monday & Tuesday	Follow-up with corporate CSR desks; send WhatsApp impact reports to previous month donors.	**Beneficiary Reel:** 45s story of a student who improved grades or a woman graduating skill training.
Wednesday & Thursday	Deliver 1-page proposals to Tech Parks (OMR/Guindy); prepare standees & QR display sheets.	**Clinical / Doctor Reel:** Short soundbite from Nellai Cancer Hospital oncologist on early cancer screening.
Friday	Set up 2-person awareness kiosk during lunch hours in corporate lobbies or coworking centers.	**Live Stories:** Real-time footage from the corporate desk; tag host firm to spark workplace pride.
Saturday & Sunday	Weekend mentorship classes in Chennai; community canvassing stalls at residential complexes.	**Weekly Impact Carousel:** Raw classroom photos + Sunday summary graphic showing exact numbers reached.

Clear Unit Economics for Donors (The "Small Ask")

Instead of asking for vague lumpsums, canvassers present structured giving tiers: **₹500/month** funds monthly schooling materials for 1 child; **₹1,000/month** covers free diagnostic medicines for 1 rural cancer patient; **₹1,500 one-time** sponsors a new dress, sweets, and celebration for 1 child at *Anandha Deepavali*.

5. 90-Day Operational Rollout Plan

Phased milestones designed to produce measurable donor growth within the current fiscal quarter:

Phase 1: Days 1 – 30

Digital & Pitch Setup

• Clean up website homepage; install dedicated UPI AutoPay donation buttons.
• Print 500 laminated A5 canvasser pitch cards with 80G and CSR-1 registration details.
• Set up official WhatsApp Business API for automated 80G tax receipt dispatch.

Phase 2: Days 31 – 60

Content Engine & Canvassing

• Begin publishing 3 reels weekly in Tamil & English focusing on Nellai and Mentorship.
• Launch Friday kiosks across 4 Chennai IT facilities (OMR, Guindy, Ambattur).
• Target: Convert first 150 monthly donors at ₹500/month (₹75,000 monthly base).

Phase 3: Days 61 – 90

Festive & Corporate Scale

• Launch 4-week *Anandha Deepavali* campaign: "Gift a Smile" (₹750 & ₹1,500 kits).
• Introduce Corporate Payroll Giving for partner firms (₹200/month employee deductions).
• Expand monthly donor pool toward sustainable 500-subscriber target.

6. Anandha Deepavali 4-Week Public Campaign Structure

Our 26-year-old flagship event provides our highest annual public visibility. We will turn it into a streamlined public giving drive across residential complexes and corporate intranets:

Tiered Festival Packages

• **Punnagai Kit (₹750):** New festive attire tailored for 1 child.
• **Anandham Kit (₹1,500):** New dress + traditional sweets + learning kit.
• **Illam Sponsor (₹15,000):** Full festival banquet & celebration for 1 complete children's home (10 children).

Outreach Channels

• **Tech Park "Wish Trees":** Physical trees in cafeterias where staff pick a card and scan UPI to sponsor a specific child.
• **Apartment RWA Stands:** QR standees in clubhouses across Adyar, Anna Nagar, and Velachery.
• **Video Proof:** Post-distribution celebration video sent to every donor within 48 hours.

7. Success Metrics & Board Reporting (Target KPIs)

Metric Indicator	Current Status	60-Day Target	1-Year Goal
Active Monthly Recurring Donors (UPI AutoPay)	Negligible	150 Donors (₹75,000/mo)	1,000 Donors (₹5,00,000/mo)
Canvassing Field Conversion Rate	Under 4%	12% to 15%	20%+
Social Media Organic Monthly Impressions	Unmeasured / Inactive	30,000 Impressions	150,000+ Impressions
Anandha Deepavali Kit Sponsorships	Ad-hoc donors	500 Verified Child Kits	1,500 Child Kits

> ***Recommendation for the Board of Trustees:*** *"Our ground service has never been the problem; our public visibility and friction in donating have been. Approving this integrated brand overhaul, UPI AutoPay mechanism, and weekly storytelling schedule will preserve our 26-year trust while guaranteeing sustainable monthly operating funds."*
